Games & Prizes

Use one of our games to promote your brand, events, or any type of prizes in the form of discounts, giveaways, or even third-party prizes to attract current and new customers. It's exciting, fast, and safe as you control your tailor-made campaign.

Auto-pilot

Adjustable to any marketing channel and strategy. it works in auto pilot 24/7. Receiving live analytics and monthly statistics. With Customer Support if you wish to update or modify your campaign.

URL, QR Code & Programmatic Advertising

Our Standalone campaigns engage visitors digitally and at your location. You can integrate and display your Gamified Campaign everywhere! It includes our next-gen advertising with banner on Web, Mobile and Apps according to your target audience and geo-targeting.

SCRATCH & WIN

The scratch and win campaign is the most popular and gives participants a realistic scratch card experience. Always a satisfying experience to use a finger on the screen of a smartphone to uncover the prize!

CLICK & WIN

The Grand Prize, or Classic Campaign, gives participants a chance to win the Grand Prize, with a simple Click. Often the choice for merchants with big ticket items, willing to give a large discount.

SPIN & WIN

The spinning wheel campaign is also a favorite, offering participants a realistic experience with all the suspense as they watch the wheel slow down to see what prize they have won!

VEGAS STYLE

While most clients choose our other campaigns, some go for the more Casino Style with this slot machine simulator! Just click the image to spin and win!
